

Star Savers

Hey kids,

Are you looking for a place to hide your birthday money, or maybe your piggy bank is really full?

Then you need to open a Star Savers account at Broward HealthCare Federal Credit Union... WOW that's a long name! Star Savers was created just for you! To help you save your money and reward you when you do.

Here's how it works:

To open a Star Savers account you need just \$5, yep that's it 5 buckaroones! You'll need to save at least \$50 to earn interest (that's the money we pay you to keep your money here!). Every time you come in and deposit \$10 you'll receive a stamp on your Star Saver Card (you'll get this when you sign up!). Once you've filled up the card, you can choose from some really cool gifts! This is your reward for saving!

What Do You Get?

When you sign up, you'll receive:

- An Official Certificate (with your name on it)
- A coloring book
- Crayons
- Official Star Savers Card

Each quarter (this is every third month), you will receive your statement that tells you how much you've saved.

So if this sounds like a place where you want to save, then give the info to mom or dad and let's get started!
