

My Money

A My Money Account is the easiest way to save and manage your money. We offer a higher interest rate on a lower balance than most institutions. My Money was designed to meet your needs now! We can help save for the little things you want like the latest video game, or cell phone or, the big things, like a car.

Begin with the benefits of a My Money Share Savings Account

This is your membership in the Credit Union. It's a great way to start saving and in time you will see your money grow. Step one to saving is to set reasonable goals. You'll be surprised at how quickly you achieve them.

The details:

- **A \$5 minimum balance is all you need to keep the account open**
- **A \$5 minimum balance to earn interest**
- **My Money ATM Card**
- **No Monthly Service Charge**

My Money Checking Account

A My Money Checking account is a great compliment to your savings account. It's also an easy way to show your parents how well you can manage your own money. Although, "checking" doesn't always mean check writing, it is required for debit card transactions and some online banking products.

Here's how it works:

- \$5 opening balance
- No Monthly Service Charge
- No Minimum Balance
- My Money Visa Debit Card
- FREE Checks (first box free)
- FREE Online Access
- FREE Online Bill Pay
- FREE E-Statements

Fast Cash

Make sure you have your BHCFCU ATM/Debit card with you and you can withdraw funds at the nearest ATM or pay right from your checking account. Easy!
